By Rit Dye

Supplies

- Rit® FreeFlow® Markers, Monochrome Set
- Black Canvas Book
- Air Dry Clay and Gothic Alphabet Mold
- Plastic Bugs
- Hot Glue Gun and Sticks
- Rit® All-Purpose Liquid Dye in Neon Green, Scarlet and Purple
- Clear Apothecary Bottles
- Rubber bands, beads, sticks to fill bottles.

Time Total: 1 hour

Difficulty: Beginner

1. For Spell Book
    1. Create gothic letters using air dry clay and mold. Once dry remove from mold.
    2. Use brush side of FreeFlow® Markers in Gold to paint letters and plastic bugs and allow to fully dry. Then paint over top areas with Silver FreeFlow® Marker to create highlights for a gilded look.
    3. Glue letters and bugs onto book cover using hot glue gun and sticks.
2. For Potion Bottles
    1. Place small found items like beads, yarn, buttons, or beads into clear apothecary bottles.
    2. Fill bottles half way with warm water and fill remainder with desired Rit® All-Purpose Liquid Dye colours. We used Neon Green, Scarlet and Purple.
    3. Secure tops onto bottles and gentle shake to mix colours.
    4. Display with spell book and enjoy!
