

FABRICLAND Statement Shoulder Accessory

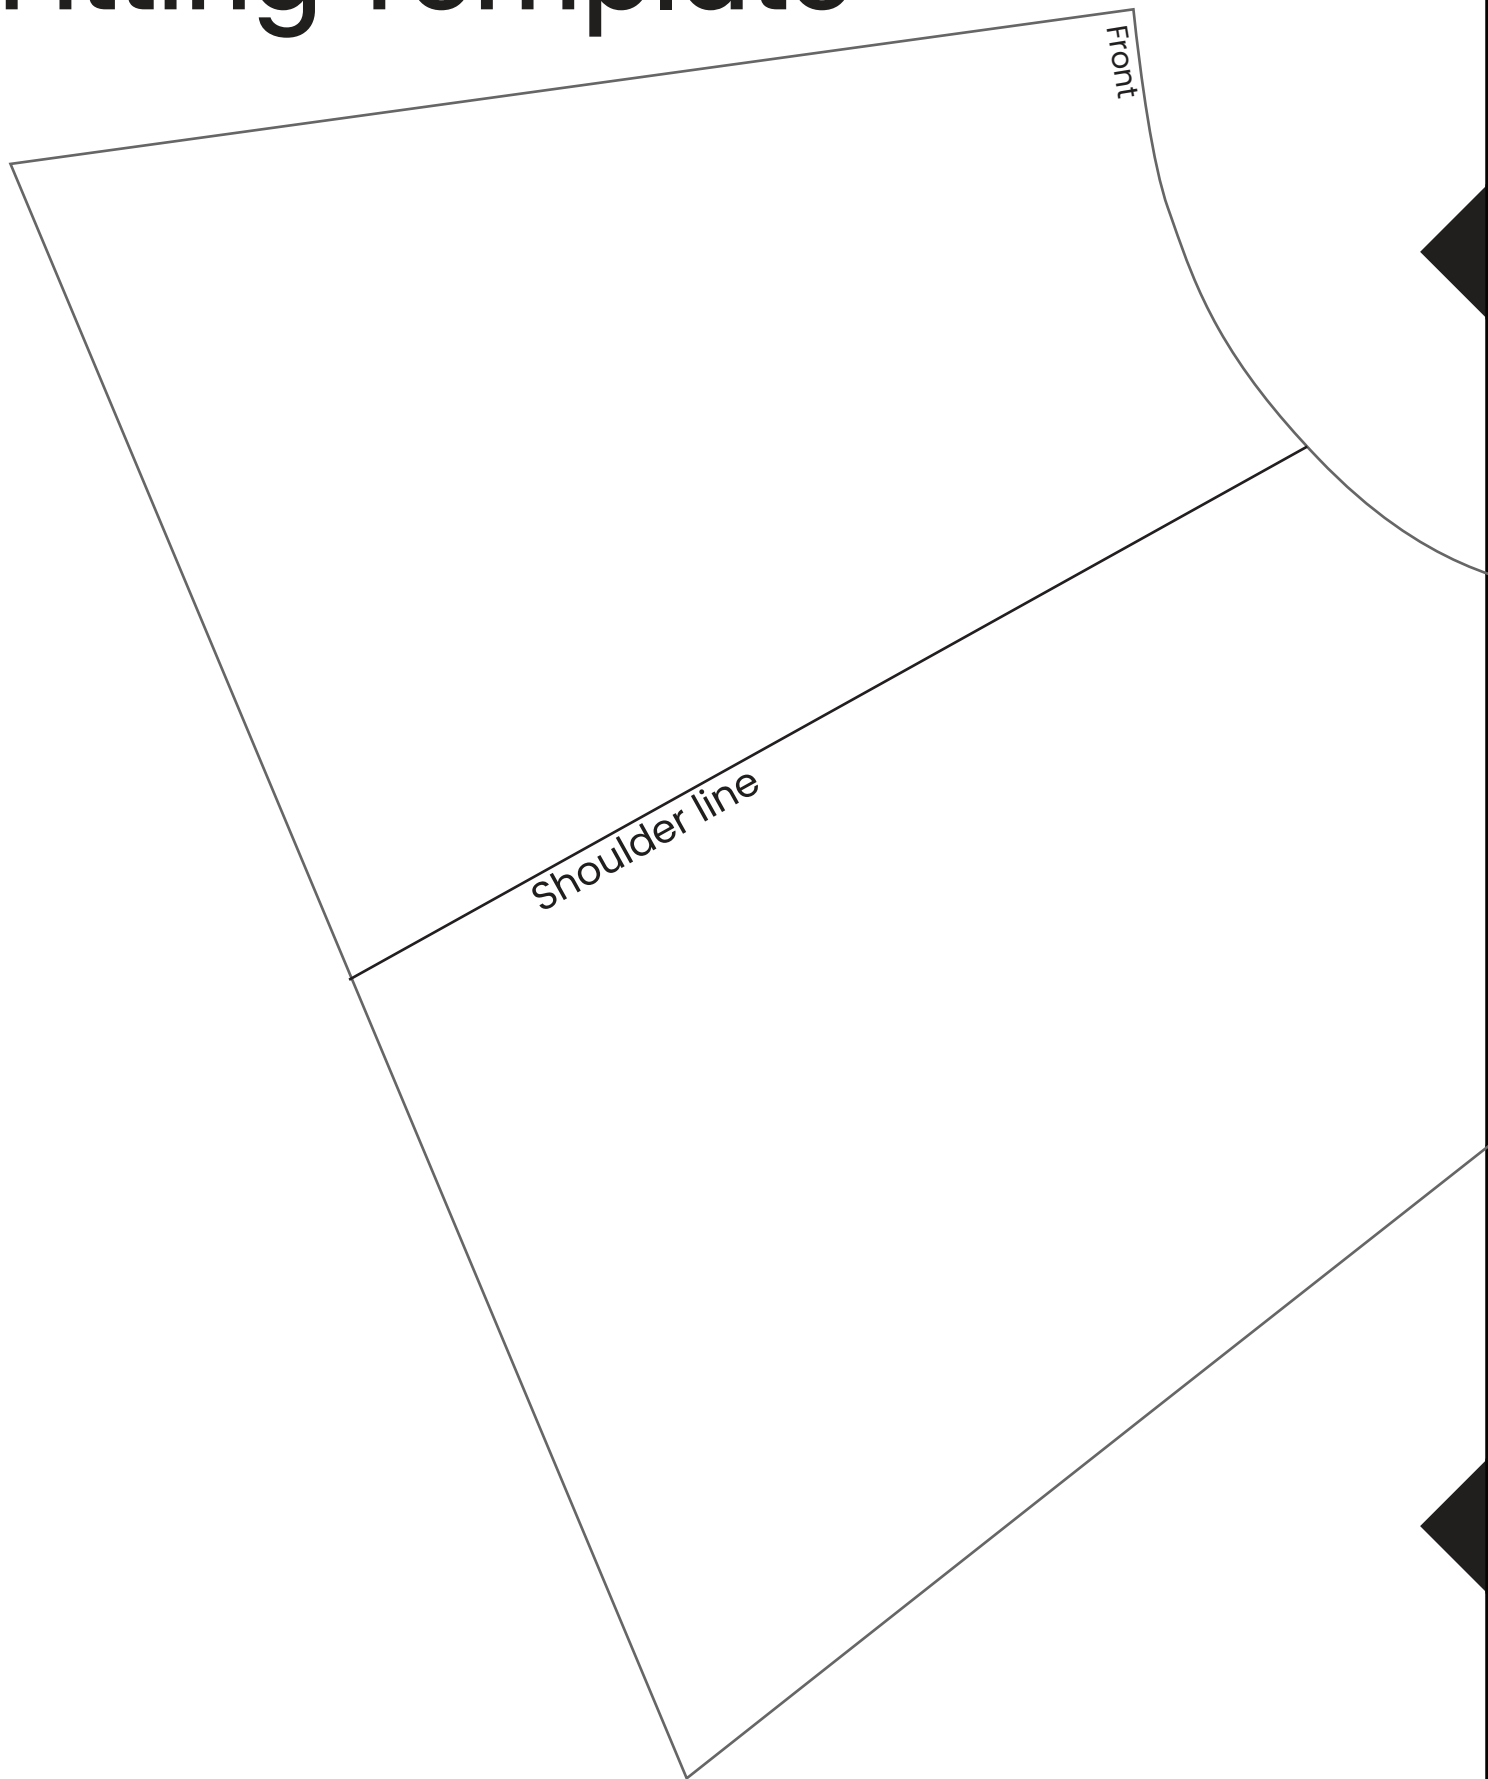

*Select "Fit" in print settings and print on 8.5" x 11" paper.

-  Cut lines
-  Seam allowance lines
-  Notches
-  Lengthen/Shorten Lines
(for pattern sizing adjustments)

Fitting Template

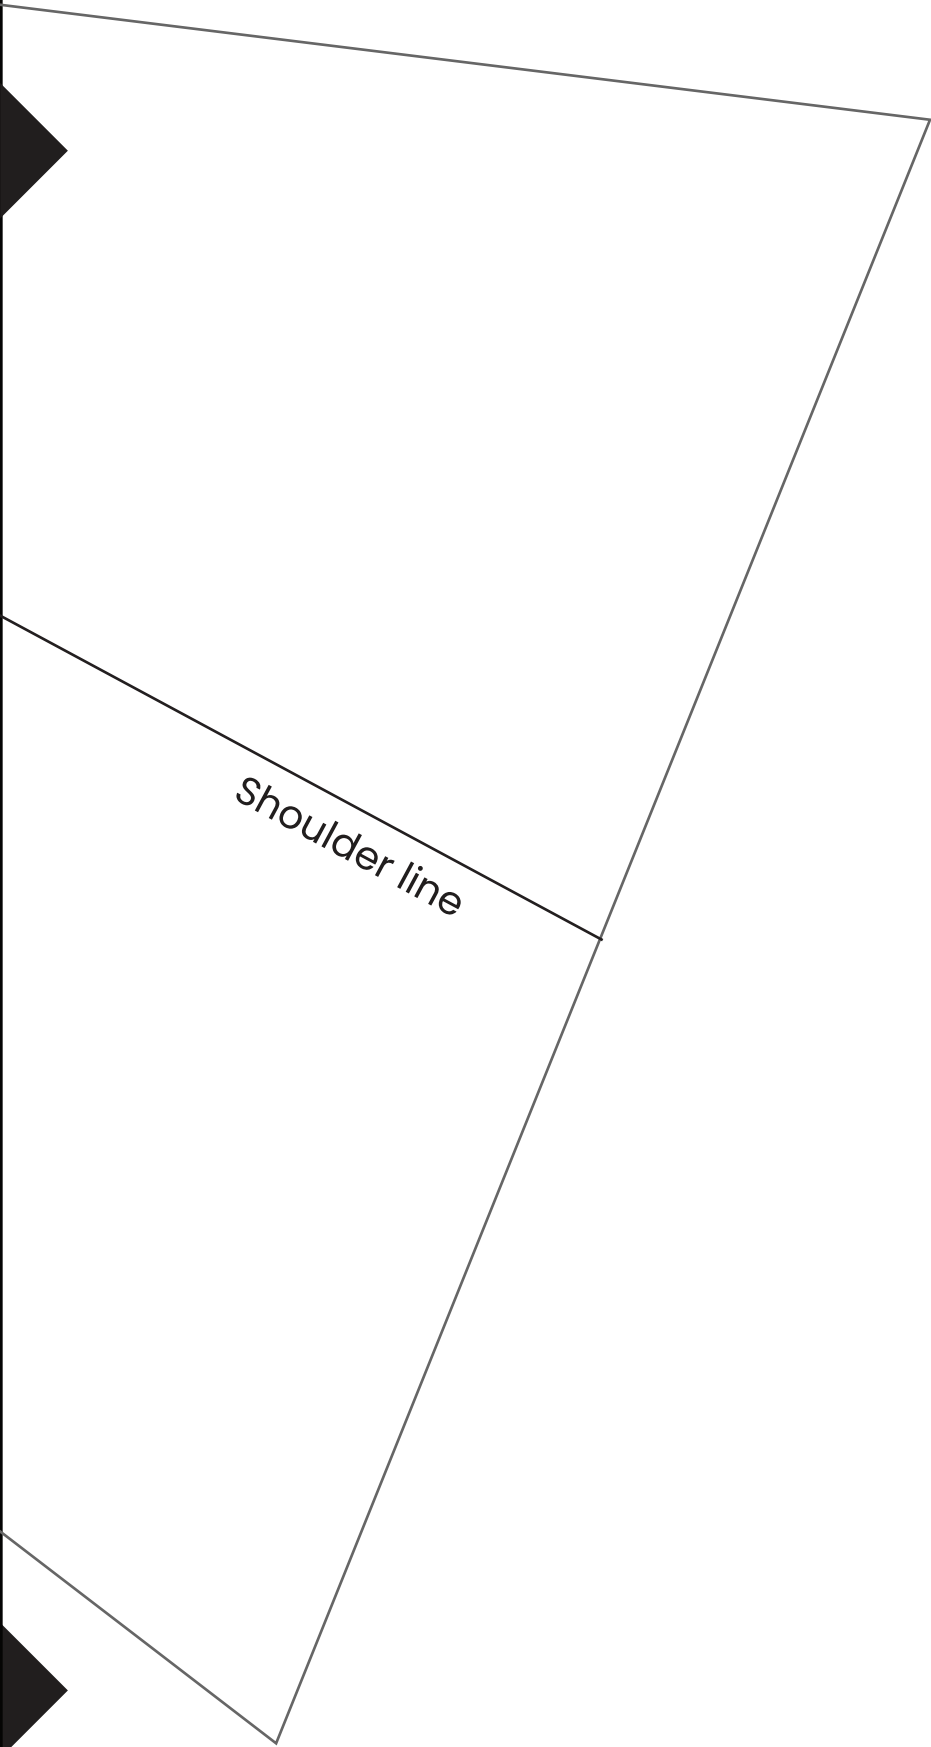

Cut out and tape the fitting template together. Place it over your shoulders with Centre Back aligned to the centre of your back. Check the neckline and shoulder length before cutting your fabric.

Flap

Centre Back

Shoulder Accessory**
Main Shoulder Piece
(Piece A when sewn together)

Need to Adjust the Fit?

Use the blue adjustment lines to lengthen, shorten, widen or narrow the shoulder piece. Cut along the blue lines, then spread or overlap the pattern as needed. Draw a temporary guideline at a 90° angle to each blue adjustment line to help keep the pattern sections aligned.

New to pattern resizing? Follow our step-by-step Slash & Spread tutorial.
