# Double Sided Receiving Blanket

## What you need:

- Sewing Machine
- Quilting Pins
- Craft Scissors/Rotary Blade
- Iron
- Thread
- 2 pieces of 35" (90 cm) Cotton Flannelette
- 2 Packages of Cotton Binding
- 1 Woven Label
- Ruler and Sewing Gauge

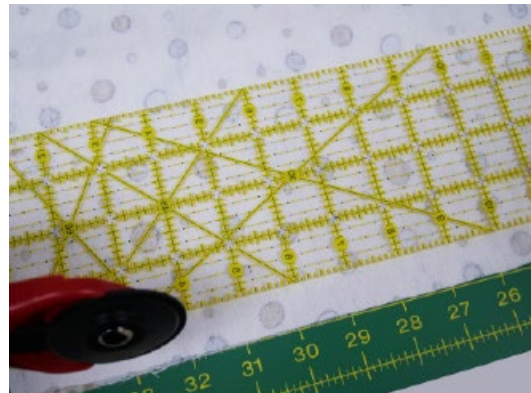

**Step 1:** Select 2 pieces, 35" (90cm) of your favorite Fabricland Cotton Flannelette.

**Step 2:** Pre-wash the fabric in order to ensure no further shrinkage occurs.

**Step 3:** Iron fabric, otherwise fabric can be difficult to measure and cut if it has wrinkles.

**Step 4:** Measure a 32" (81 cm) square out of each piece of Flannelette. Place right sides together. If the fabric is lined up on the edges then you can just measure from the side.

**Step 5:** Sew  $\frac{5}{8}$ " (1.6cm) around the edge of the blanket. Leave a 2" (6cm) opening to turn inside out.

**Step 6:** Turn Flannelette inside out so wrong sides are together.

**Step 7:** Add blanket binding around the edges with a zigzag stitch.

**Step 8:** Iron a woven label onto the corner to make complete with love.
