Cutting Instructions

From:

- Lemon** - (6) Small flames
- Saffron** - (6) Medium flames
- DK Red** - (6) Large flames
- Bison** - (4) 15" X 9" rectangles
(4) 3" X 2" rectangles
- Tannin** - (8) 3" X 2" rectangles
(8) 2^{1/2}" circles
- Snow White** - (2) 4^{1/2}" X 4^{1/2}" squares
(4) 3" X 2" rectangles
(4) 1^{1/2}" circles
- Plum Kitten** - (6) small rocks
(6) medium rocks
(6) large rocks

Fire Assembly - Seam Allowance: 1/2"

1 Place (1) small flame wrong side to right side with (1) medium flame, lining up the bottom edges. Pin in place and edge stitch around to secure.

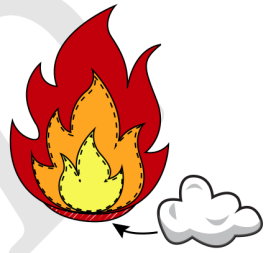

2 Place (1) medium/small flame wrong side to right side with (1) large flame, lining up the bottom edges. Pin in place and edge stitch around to secure. Repeat steps 1-2 for a total of (6) large flames.

3 Place (2) large flames right sides together. Pin in place and stitch around to secure, leaving a 3" gap at the bottom to turn through.

4 Snip and trim corners, turn right way out. Fill with fibre fill, and topstitch to close the gap.

Repeat steps 3-4 for a total of (3) large flames

5 Line all (3) flames up and hand stitch sides together.

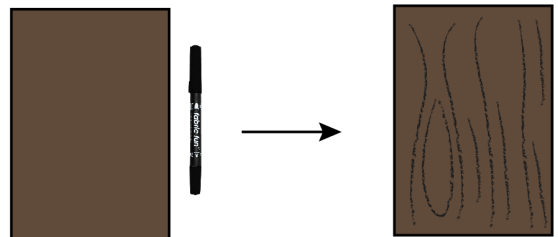

6 Fold (2) open sides together and hand stitch sides together.

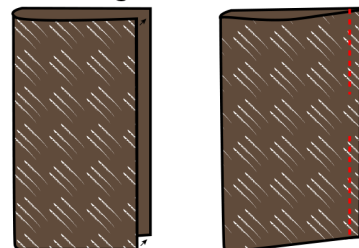

Log Assembly

1 Take (1) 15" X 9" rectangles and use a black fabric marker to draw bark lines on the right side of the fabric.

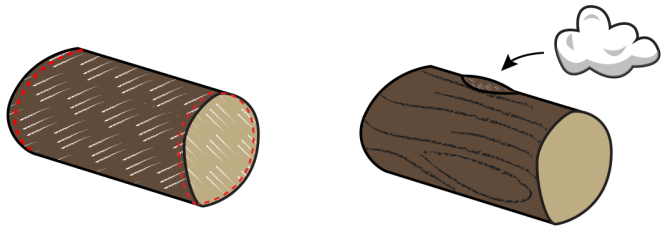

2 Fold (1) 15" X 9" rectangle in half, right sides together. Stitch down side to secure. Leaving a 3" gap to turn through.

Campfire Set

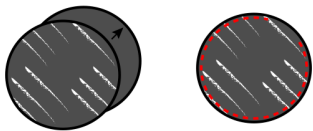

- 3 Pin (2) 2^{1/2}" circles to the tube right sides together, stitch to secure. Turn log right way out, fill with fibre fill, and topstitch to close the gap.

Repeat steps 1-3 for a total of (4) logs.

Rocks Assembly

- 1 Take (2) small rocks and place right sides together. Stitch around to secure. Leaving a 2" gap to turn right way out.

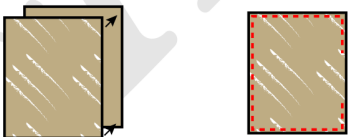

- 2 Turn rock right way out, fill with fibre fill, and topstitch to close the gap.

Repeat steps 1-2 for all small, medium and large rocks.

Smores Assembly

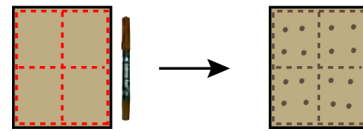

- 1 Take (2) Tannin 3" X 2" rectangles and place right sides together. Stitch around to secure. Leaving a 2" gap to turn right way out.

- 2 Turn rectangle right way out, fill sparingly with fibre fill, and topstitch to close the gap.

- 3 Topstitch around the edge of the cracker, down the center and across the middle. Use a brown marker to mark dots on the cracker.

Repeat steps 1-3 for a total of (4) crackers

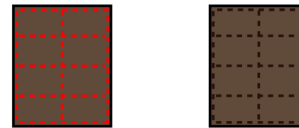

- 4 Take (2) Bison 3" X 2" rectangles and place right sides together. Stitch around to secure. Leaving a 2" gap to turn right way out.

- 5 Turn rectangle right way out, fill sparingly with fibre fill, and topstitch to close the gap.

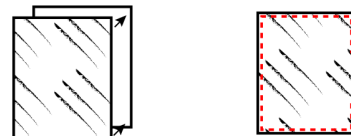

- 6 Topstitch around the edge of the chocolate, down the center and across the middle. Stitch across the middle of the top and bottom section.

Repeat steps 4-6 for a total of (2) chocolate bars

- 7 Take (2) Snow white 3" X 2" rectangles and place right sides together. Stitch around to secure. Leaving a 2" gap to turn through.

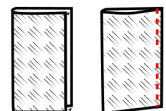

- 8 Turn rectangle right way out, fill sparingly with fibre fill, and topstitch to close the gap.

Repeat steps 7-8 for a total of (2) melted marshmallows.

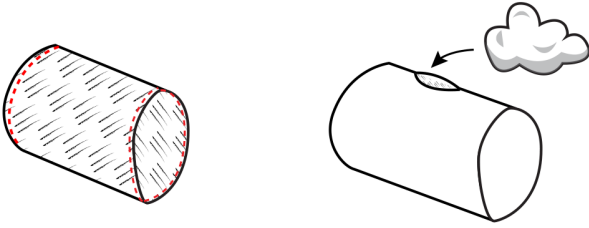

Marshmallow Assembly

- 1 Fold (1) 4^{1/2}" X 4^{1/2}" square in half, right sides together. Stitch down side to secure. Leaving a 1" gap to turn right way out.

Campfire Set

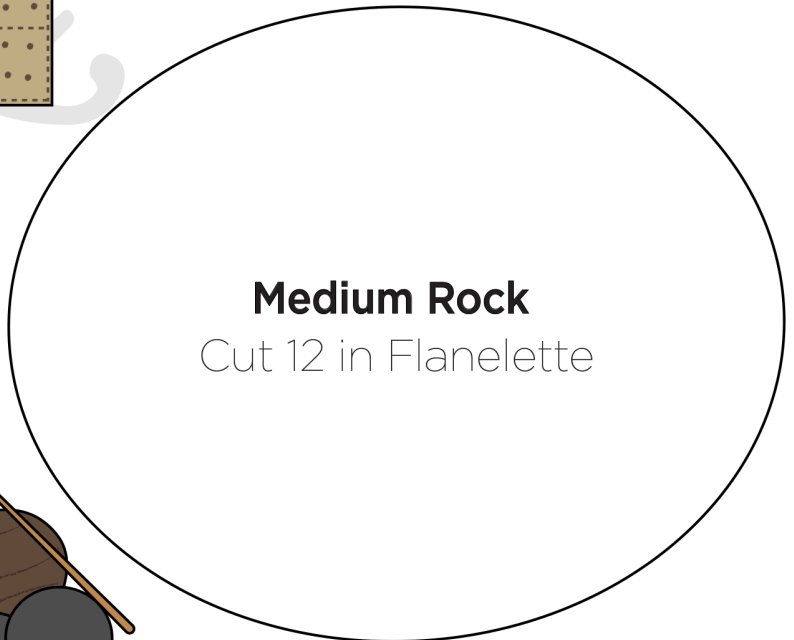

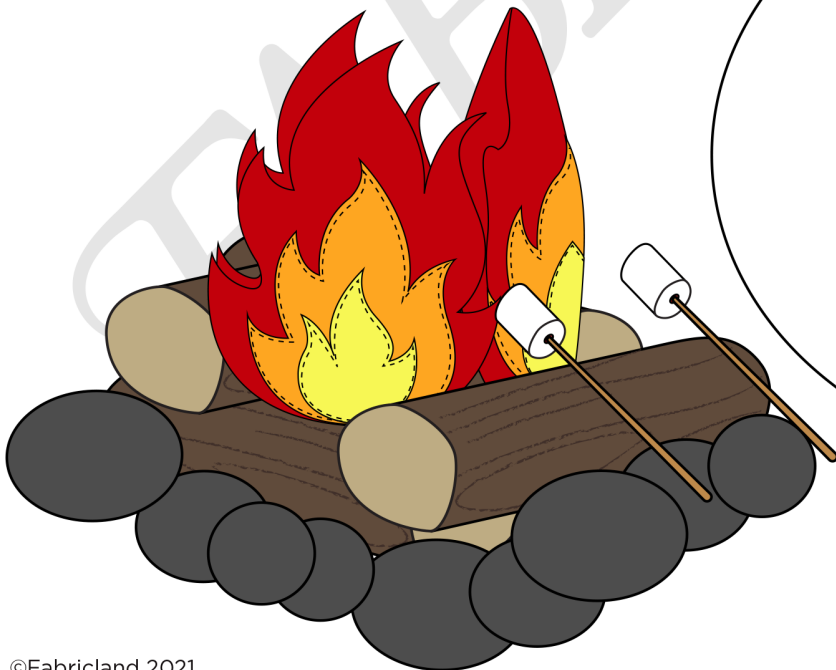

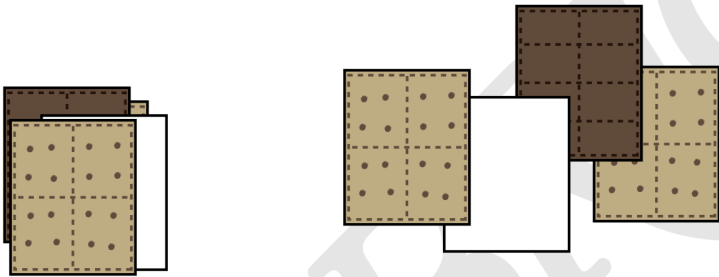

3 Pin (2) 1¹/₂" circles to tube right sides together, stitch to secure. Turn marshmallow right way out, fill with fibre fill, and topstitch to close the gap.

4 Snip a hole in the bottom of (1) circle, big enough for your wooden stick to go through.

Repeat steps 1-4 for a total of (2) marshmallows.

Campfire Set

Large Flame

Cut 6 in Flanelette
