

Leprechaun Hat

What you need:

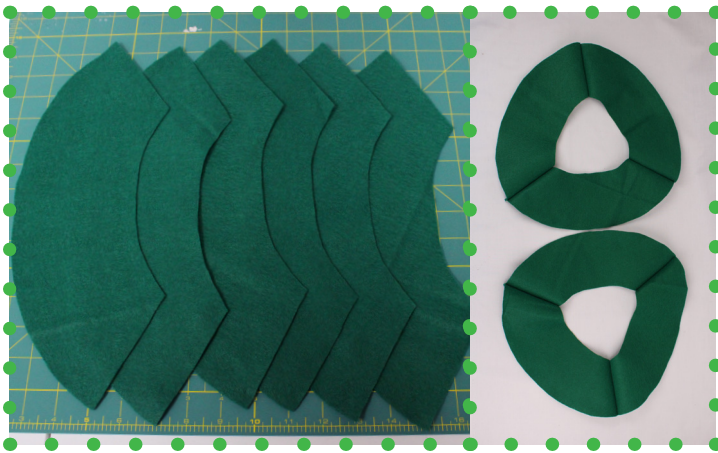

- Lightweight Felt (Green)
- Medium Weight Felt (Yellow & Black)
- White 'Soft & Bright®' Batting
- Jacquard Tape
- Shamrock Applique
- Glue Gun & Sticks
- Pencil, Scissors & Ruler
- Sewing Machine & Thread

Step 1: Cut out six Hat Panel patterns, three from Green Lightweight Felt and three Batting. Pair Batting and Felt together and sew sides of the three pairs together at 1/2" (1cm).
(See Hat Panel pattern)

Step 2: Cut out Hat Top pattern from Green Lightweight Felt. Pin and sew together at 1/2" (1cm).
(See Hat Top pattern)

Step 3: Cut six Hat Rims out of Green Lightweight Felt. Sew side edges together in groups of three.
(See Hat Rim pattern)

Step 4: With right sides together, sew at 1/2" (1cm). Flip inside out and sew along edge of the Hat Rim at 1/2" (1cm). Pin and sew hat pieces together at opening, 1/2" (1cm).

Step 5: Flip hat inside-out. Finger press where needed.
***Do Not Iron**

Step 6: Cut out one strip of Black Lightweight Felt, 23" (58cm) x 2" (5cm). Glue or sew some festive ribbon of your choice to the edge of the hatband.

Step 7: Glue the finished hatband to the hat. Be sure to fold down the overlapping end for a clean look.

Step 8: Cut out Hat Buckle out of Yellow Medium Weight Felt. Glue to hatband on the front of the hat. (See Hat Buckle pattern)

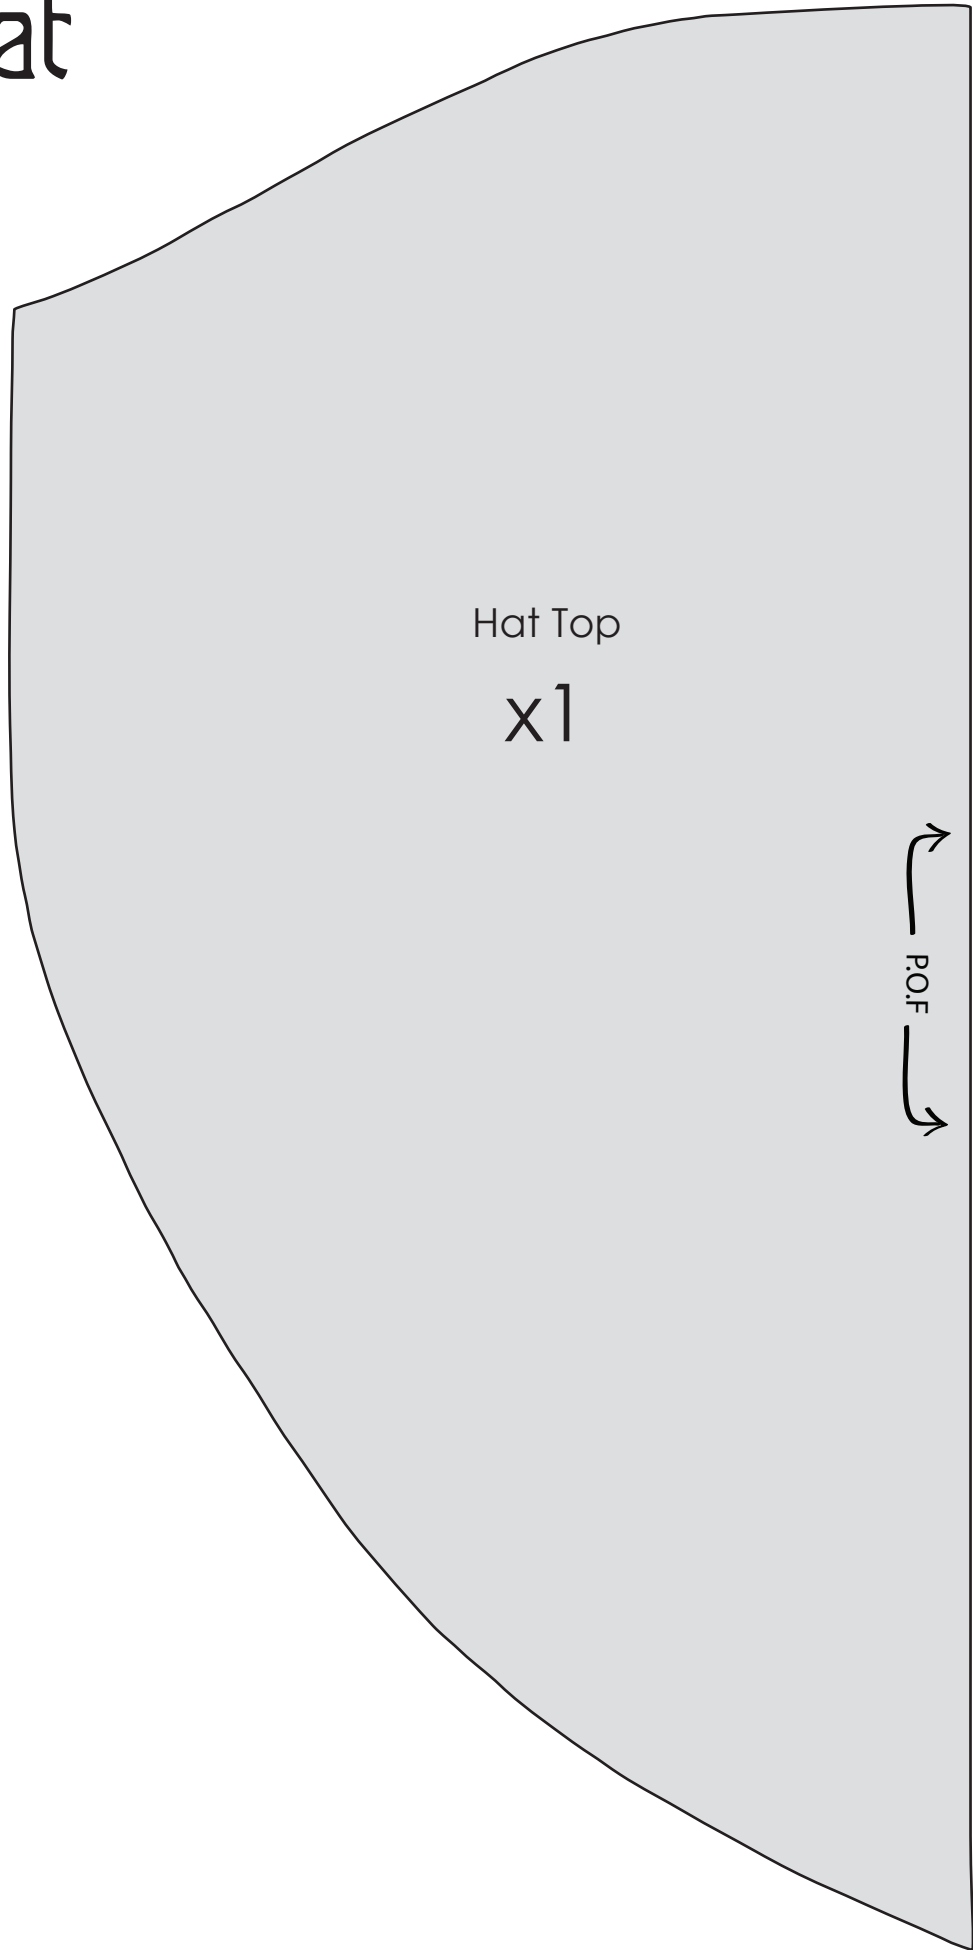

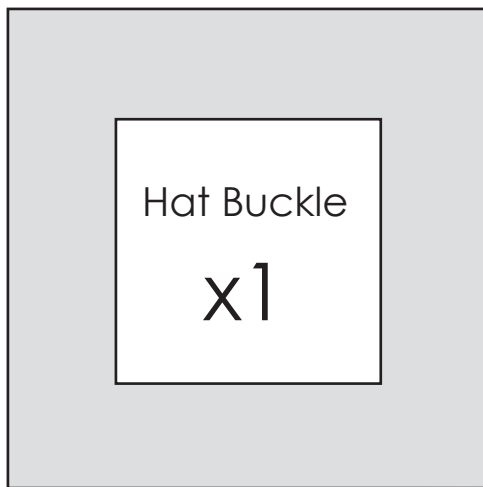

Step 9: Optional - Add an applique to bring your hat to the next level!

HAPPY
ST PATRICK'S
DAY!
