

Luxe POMPOM KEY WRISTLET

Need a quick gift for the holidays?
Use this guide to make an easy no-sew
key wristlet.

TIME: 5-10 minutes. SKILL LEVEL: Easy

Materials

- 10cm Faux Fur Pom-pom
- One Key Fob Hardware Set
- A few links of chain
- 25cm of 25mm Faux Leather Trim
- One 10mm jump ring

Note: Key fobs are available in 5-packs as well. Make one for everyone on your list!

Step 1

Fold the faux leather in half and place in the key fob hardware.

Step 2

Close the hardware with pliers. To keep it from scratching, wrap a scrap of fabric around the fob.

Step 3

Use the pliers to open a link of chain and attach it to the loop at the back of the pom-pom. Close it securely.

Step 4

Open and attach a jump ring to the other end of the chain, and then to the key fob.

And you're done!

Customise your key fobs with different trims, ribbons, elastic or lace to suit the styles of your friends and family.
