

Vario Pliers Instructions for Eyelets

Need Vario Pliers 390 900

4mm Eyelets with washers

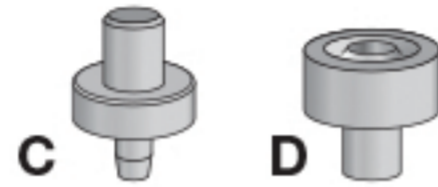

Cutting Tools:

Included with pliers

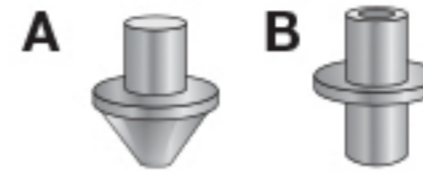

Setting Tools:

5mm Eyelets with washers

Cutting Tools:

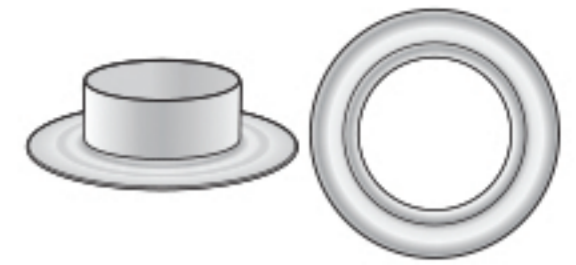

Included with pliers

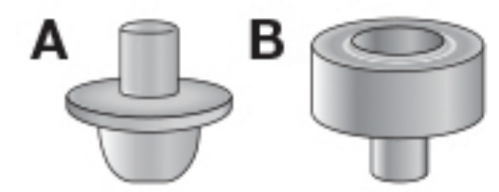

Setting Tools:

8mm Eyelets with washers

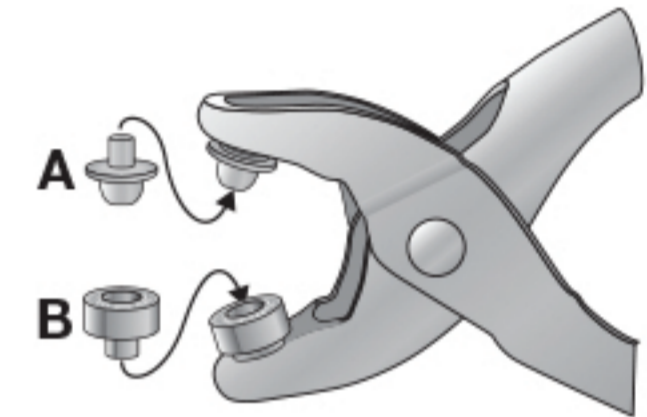

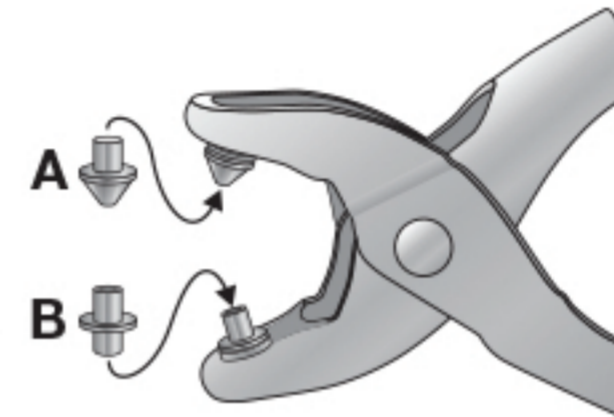

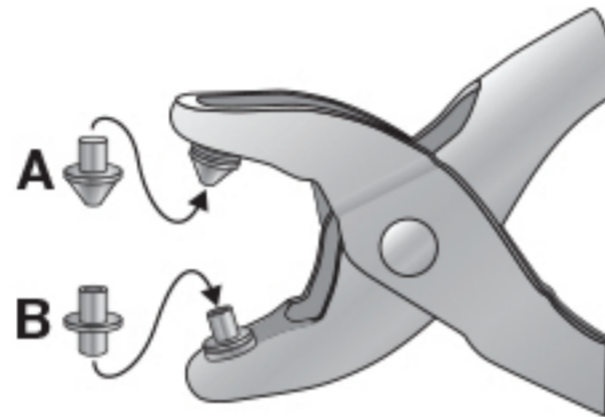

Cutting Tools:

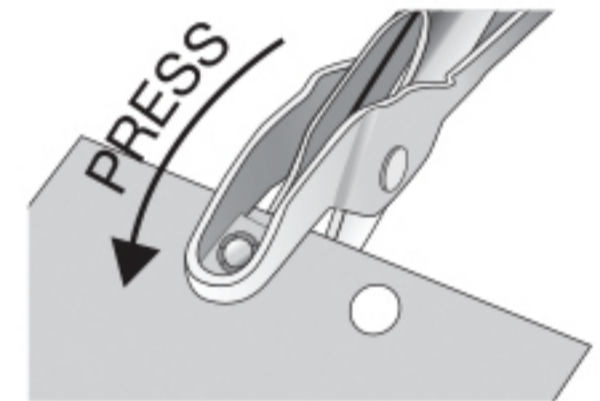

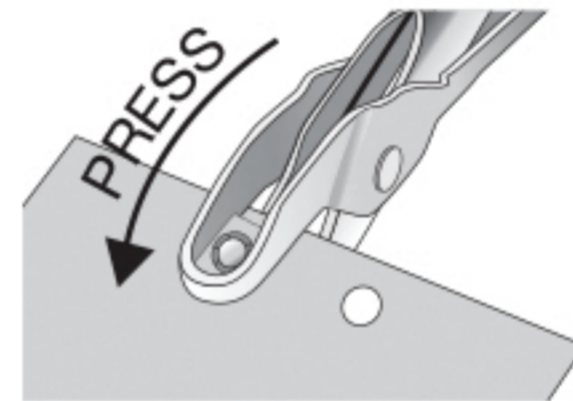

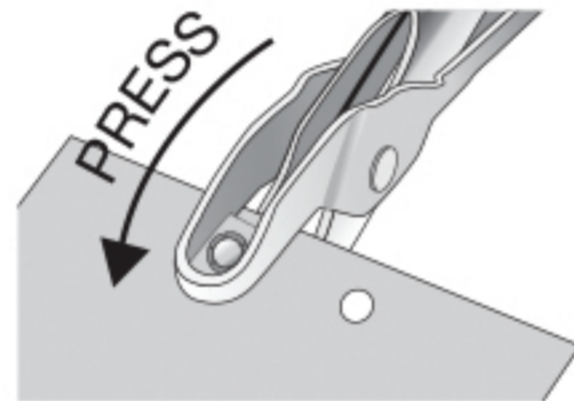

Setting Tools:

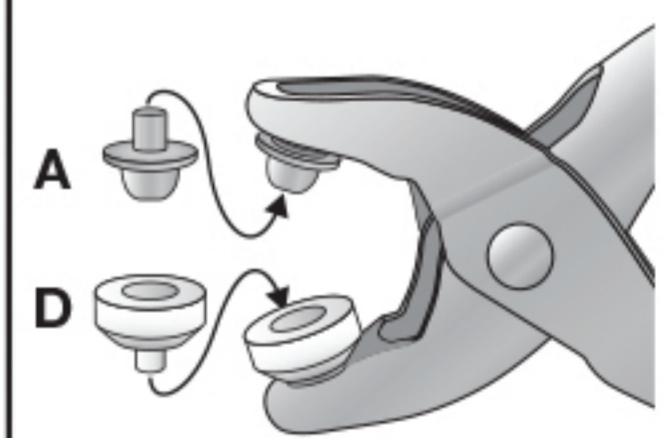

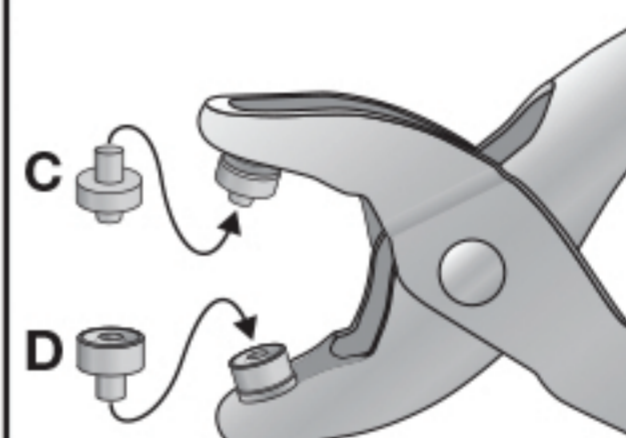

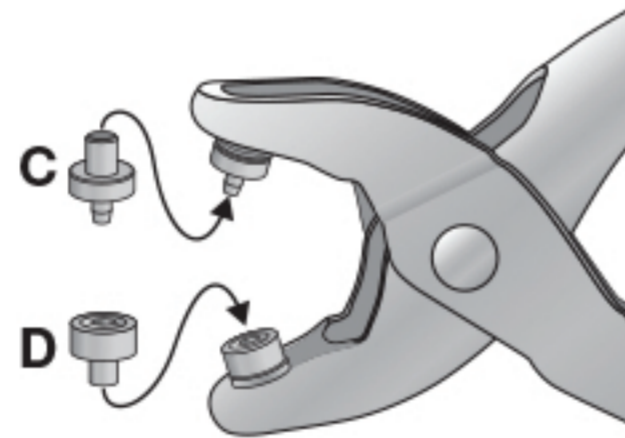

Insert cutting tools into Vario pliers.

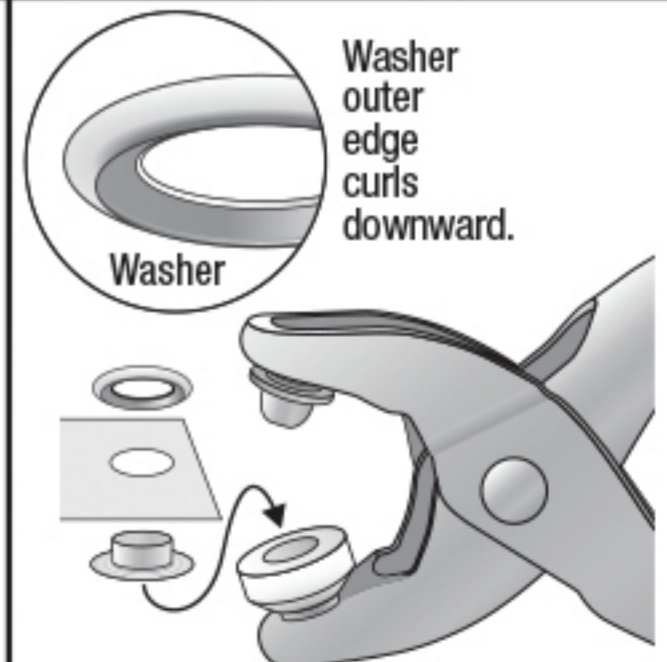

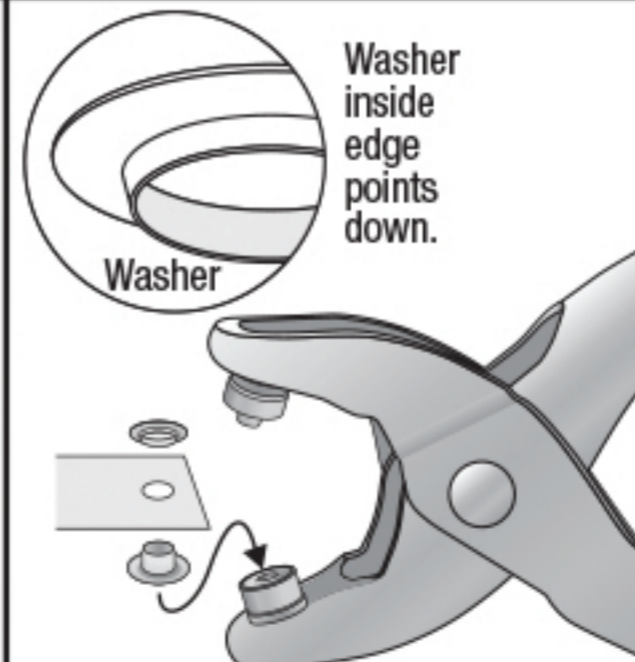

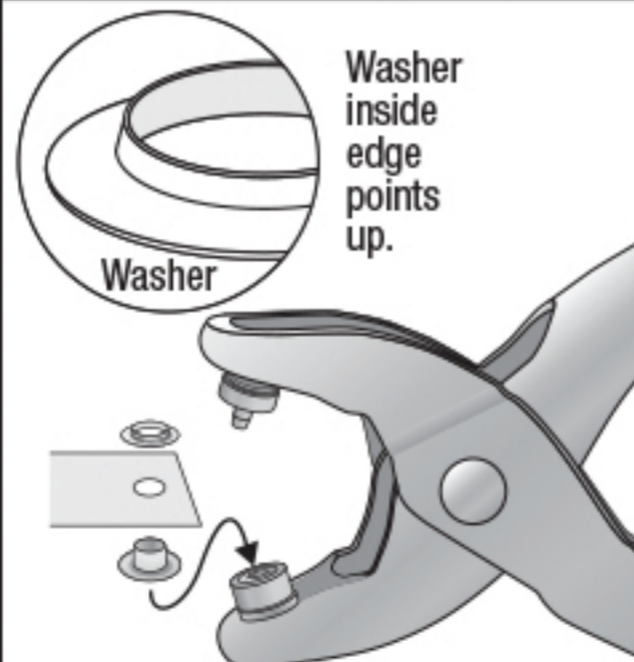

On fabric, mark location for eyelet. Position tools in pliers over mark. Squeeze pliers firmly to cut hole.

Remove cutting tools from pliers and replace with setting tools.

Place eyelet in tool D. Lay fabric, right side down, over eyelet post. Place washer on eyelet post as illustrated.

Squeeze pliers firmly, to set eyelets.
